

BRINGING LEARNING TO WORK 2018-2019

Join ACC-OC for the improved 2018-2019 Bringing Learning to Work! Last year, ACC-OC and Cal State Fullerton's Center for Leadership re-designed Bringing Learning to Work into two five part segments. Each segment now has sessions focused on leadership development that build off each other. By participating in the full 5- part course, participants are eligible to receive a certificate of completion. Take advantage of this exciting opportunity that is included in city membership.
